2. **Owner Information:**

Name of Owner: _____

Owner Address: _____

_____ Zip: _____

Owner Phone #: (____) _____

3. **Current or Proposed Operator(s):** (attach separate sheet if needed)

Name: _____

Address: _____

Zip: _____

Business Phone # () _____ Home Phone #: () _____

4. The type(s) of activity(ies) being proposed for the site, such as processing, storing or treating of septage.

5. A description of the intended capacity and life of the facility.

6. A description of the use of the land on which the facility is proposed covering 5 years immediately prior to the submission of the application.

III. ADDITIONAL INFORMATION

(Use Additional Paper as Necessary)

1. If applicable, facility plans and specifications for construction and closure stamped by a professional engineer registered in the State of New Hampshire.
2. The facility plan prepared in accordance with Env-Wq 1609.07 or 1611.08.
3. The management plan prepared in accordance with Env-Wq 1609.08 or 1611.09.
4. If applicable, the hydrogeologic evaluation and the groundwater monitoring plan prepared in accordance with Env-Wq 1615.
5. A site-specific soil map or survey prepared in accordance with the Site-Specific Soil Mapping Standards for New Hampshire and Vermont, Society of Soil Scientists of Northern New England Special Publication No. 3, dated January 1999, with the area(s) of proposed activity clearly delineated, including a description of each soil type found on the site.
6. A legible copy or computer generated version of the most recent USGS map showing the location of the facility with the latitude and longitude specified.

7. Written verification from:
- a. Depending upon jurisdiction, the department of resources and economic development, U.S. Fish and Wildlife Service, or the New Hampshire Department of Fish and Game indicating whether threatened or endangered species exist on the site;
 - b. The DES Water Supply Engineering Bureau indicating whether the proposed activity is within a classified GAA or GA-1 groundwater protection area and, if so, any written recommendations concerning the proposed project; and
 - c. The New Hampshire's Rivers Coordinator if the proposed project is within jurisdiction of any river or segment designated under RSA 483 and if so, any written recommendations concerning the proposed project.
8. A copy of the facility closure plan as specified in Env-Wq 1609.10 or 1611.11.
9. A list of all other state permits which are required for the proposed site and evidence that applications for those permits have been submitted.

Permit	Date Applied	Status

10. The name and address of the locally accessible place where all information required in Env-Wq 1609.01 or 1611.02 can be reviewed.

11. A written statement indicating the applicant has not been convicted of a misdemeanor under any statute administered by the department within the five years prior to the date of application or of a felony in any state or federal court during the 10 years prior to the date of application.
12. If the applicant is not the owner, a written statement signed by the owner that the owner is aware that the application is being filed and has given permission to the applicant to file the application and to enter upon the land for purposes of site investigation and operation of the septage facility in the event that the division issues the permit.
13. The fee specified in Env-Wq 1609.05 or 1611.06.

IV. Applicant Signature

The applicant(s) must sign the following statement prior to submitting this application. All copies of the application filed with DES must bear the applicant's ORIGINAL signature(s). If the applicant is not an individual, the application shall be signed by an individual duly authorized by the applicant.

- All notification requirements in Env-Wq 1604.01 have been met.
- All operators of the facility have been instructed on the requirements of Env-Wq 1600 or shall be instructed prior to working at the facility.
- A copy of the application has been given to the governing body of the municipality in which the activity is proposed to occur.
- To the best of my knowledge and belief, the information and material submitted herewith is accurate and complete.
- I certify that this application is submitted in a complete and accurate form as provided by DES without alteration of the text.
- I understand that any approval granted by DES based on false and/or incomplete information shall be subject to revocation or suspension, and that administrative, civil or criminal penalties may also apply.
